

# Free™ HD

Floating Flat Panel Arm

Our most stable heavy duty (HD) arm in the Free™ Series. The Free™ HD floats big LCD monitors up to 21 kg (46 lbs). Comes complete with a very stable desk clamp mount.

## FEATURES

- ▲ Gas cylinder “floats” monitor above desk—instantly raise and lower monitor
- ▲ Extends up to 61 cm (24”), with 39 cm (15.5”) vertical range and folds up to occupy just under 10 cm (4”) of space
- ▲ Tilt monitor up to 200 degrees
- ▲ Rotates 360 degrees at three joints
- ▲ Integrated cable management system keeps your work surface free of annoying cable clutter
- ▲ Made of steel and sturdy cast aluminum

## INCLUDES

- ▲ 75mm and 100mm VESA® adapters

## COMPATIBILITY

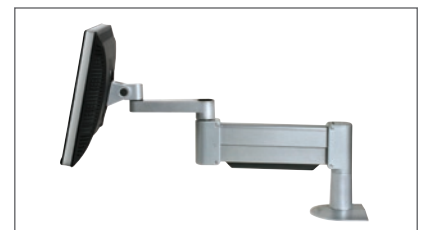

- ▲ Works with VESA® compatible monitors, 75mm and 100mm

Folds to save maximum space

Monitor pivots from landscape to portrait
